WELCOME TO THE MAIN EVENT FOR HVACR IN ASIA

The HVAC ASIA Expo brings the entire HVACR (Heating, Ventilation, Air Conditioning, and Refrigeration) industry together to showcase cutting-edge products and technologies, gain insights from industry leaders, foster cross-disciplinary collaboration, and drive business and career growth.

PREMIER PLATFORM FOR TAPPING THE HVAC MARKET IN ASIA

HVAC Asia 2026 plays an important role in introducing individual heating, water supply, sanitary, air-conditioning, ventilation equipment and Refrigeration solutions to Asia and Spanish-speaking and Portal regions. The fair has established itself as a premier regional platform for government authorities, industry professionals, suppliers, manufacturers and property developers to share, acquire and implement innovative HVAC solutions. HVAC Asia 2026 offers you a perfect opportunity for promoting and sourcing brands in one of the China and Asia's fastest growing regions.
